

EVENT TECHNOLOGY & SERVICES

Let's Create Something Extraordinary.

Since 2005 we've been dreaming up, delivering and building video displays for live events and spectacular installations all over the world. From concert touring and television broadcasts, to corporate, sporting and special events, the company is focused on providing market-leading technology and talent to the biggest brands and event producers in the business. A boutique shop with over a century of combined experience, our capabilities range from multi-camera production to mobile and modular LED screen packages. Our dedication to "better", not "bigger", sets us apart from our peers.

“

Thank you for making the GWU Commencement such a success! 8 of 9 days were hit hard by the weather conditions and I'm still in shock that all was in place and ready to go according to schedule. A true indication of the wonderful leadership and teams in place!
