

EZ LED

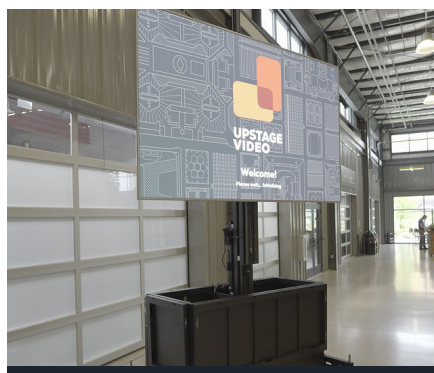

LED MADE EASY

The only self-contained LED screen of its size on the market.

We're excited to unveil a revolutionary LED system called EZ LED. The only self-contained LED screen of its size on the market, EZ LED is manufactured exclusively for ChoiceLIVE and developed to meet the demand for user-friendly LED systems. With its sleek and innovative design, EZ LED exceeds rental and staging industry standards for quality, performance, reliability, and efficiency.
